Exhibit in Chicago

October 18, 2021

Brief Itinerary

October 18, 2021 (Monday) - MBS & L

We will depart Grand Rapids this morning and enjoy breakfast snacks and coffee, as we begin our Van Gogh adventure! Once we arrive in Chicago, our first stop will be the Botanical Garden Tour by tram. The tram tours include a panoramic overview or the intimate view of the gardens of the main island. Once we have explored the beauty of the gardens, we will enjoy a nice lunch before moving on to the Van Gogh Immersive Exhibit. Be immersed in 5,000 cubic feet of stunning projection animating the master's oeuvre and illuminating the mind of a genius. Wander through giant projections that highlight brush stroke, detail, and color as you have never experienced them! Visitors will be immersed in Van Gogh's works from his sunny landscapes and night scenes, to his portraits and still life. After the exhibit we will head for home with an approximate arrival home in Grand Rapids at 7:30 pm (no dinner stop).
